

Carlisle Perfect Portion Products

Help Control Your Food Costs

Only Carlisle has the complete solution to managing portion control and your food costs. Our wide selection of spoons, ladles, measure misers, measuring cups and storage containers are made to help operators keep track of how much food goes on the plate and how much money stays on the bottom line.

Measure Misers®

Most kitchen managers already know their cost-cutting focus needs to begin in the kitchen. Controlling portion size helps manage costs, control inventory, and maintain consistency in their signature dishes.

Color-Coded Measure Misers®

- Portion control spoons are designed to save you money by delivering consistent portions
- Use for front or back of house measuring of meats, vegetables, or condiments
- Each color represents a different size for easy recognition and consistency
- Spoon's flat bottom easily spreads sauces or toppings
- Long handle Measure Misers have thumb grip for steady control and a notch for resting on pan rim
- Made of break-resistant acetal, recommended for temperatures up to 212°F; withstands dry heat up to 270°F
- NSF Listed; BPA Free, dishwasher safe

Color-Coded Measure Misers are perfect for use in managing self serve portions. Bright, distinct colors add interest to self serve food bars.
